Patty – thanks for the update. I'm thinking that if Chris has copies of the three letters we've sent to the Corps over the past month (attached), he'll have all the talking points he needs. Anyone

disagree?

**Subject:** RA meeting with the Corps on Friday

Hi David-

I had a short call with Sheila this morning.

- She confirmed that she is the Regional Regulatory Deputy (as of yesterday)
- The Corps has selected AECOM as the third-party EIS contractor

- Regarding the meeting with the RA on Friday, the Corps does not have an agenda. I informed her that in addition to meet & greet, Chris would like to discuss our response to the cooperating agency invite. Sheila indicated that she is aware of our response and of the call that you had with Mike and does not see the Corps changing course.

Please let me know if you think that Chris needs talking points or any other preparation for the meeting on Friday.

Patty
